MACMILLAN'S ARCTIC PICTURES  
THRILL SCHOOL AUDIENCE

On Saturday night, April 14, Commander Donald B. MacMillan visited the school and gave a fine account of the most recent of his twenty-nine expeditions to the Arctic regions to both the boys and the faculty.

In the spring Commander MacMillan, his wife, and fifteen or more boys allow their fancies to turn to igloos and icebergs. Early in the month of June this happy crew sails from Boothbay Harbor, Maine, on MacMillan's own "Bowdoin." This stalwart craft, so aptly named, carries them by sail and diesel to Labrador by way of Greenland. This trip could not be more thrilling for those who actually go on it than were the pictures which Commander MacMillan used to illustrate his most interesting talk.

NEW YORK ALUMNI DINE  
AT WILLIAMS CLUB

Harrison Poole, '39, the meeting was attended by forty-six persons. ## GLEE CLUB PARTICIPATES IN SYMPHONY HALL CONCERT

---

On Sunday afternoon, April 15, the Governor Dummer Glee Club participated in the sixth annual concert of the New England Preparatory School Music Festival Chorus at Symphony Hall, Boston. The combined glee clubs of several New England preparatory schools presented Johannes Brahms' *German Requiem* and Richard Wagner's *Finale from "Die Meistersinger von Nurnberg."* The *Requiem*, an oppressed peoples' prayer for deliverance, brought the chorus to a peak of feeling and expressiveness, and *Die Meistersinger* provided a smashing climax to the performance.

The chorus of 320 voices was accompanied by members of the Boston Symphony Orchestra and conducted by Wilfrid Pelletier, who spent thirty-three years as conductor of the Metropolitan Opera Company. Soloists were from the New England Conservatory of Music.

Besides Governor Dummer, the participating schools were the Beaver Country Day School, Dana Hall, Groton School, Milton Academy, Phillips Exeter Academy, and the Walnut Hill School.

The concert provided a rich musical experience for the participants as well as for the listeners, and stands out as a real achievement in secondary-school music. An audience of nearly 1,800 persons generously applauded the program.

## MR. SAGER MEETS WITH CHICAGO ALUMNI GROUP

---

On March 6, a group of alumni from Chicago and vicinity met at the Racquet Club in Chicago for dinner with Arthur W. Sager of the faculty.

Since it was relatively small in size, the meeting was conducted quite informally, the alumni having a good chance to catch up with news of the school, and Mr. Sager enjoying his opportunity to renew acquaintance with distantly located friends. Henry Faurot, III '38 made the arrangements for the gathering.

MR. PULK AND MEMBERS OF THE METEOROLOGY CLUB TAKE DAILY READINGS AT WEATHER STATION

### METEOROLOGY CLUB ACTIVE WEATHER NOT IMPROVED

Under the guidance of Mr. Eugene S. Pulk of the faculty, a Meteorology Club of forty-two members has been meeting once a week throughout the school year. At the meetings the boys are learning the fundamentals of meteorology and of analyzing weather maps and making forecasts from them. The club makes daily readings of temperature, wind, barometric pressure and the weather in general, and forwards the information to the Weather Bureau in Boston.

In spite of the efforts of Mr. Pulk, formerly a forecaster for American Overseas Airlines and later a research associate and instructor in meteorology at Massachusetts Institute of Technology, of Charles N. Hussey, president of the club, and of the members in general, the older inhabitants have noted no improvement in South Byfield winters.

## EDITORIAL

Now that the Winter Term is over, all junior and senior English students—and perhaps even the faculty, are relieved. The “Merc-o-grams” are over!

Throughout the winter months Mr. Mercer makes up his well-known vocabulary tests each week and gives them to the various English classes and the faculty. These tests consist of twenty-five words, twenty-four of which the student has not seen before. This first test is not the difficult part;—the following week one must be prepared for the previous test plus a new one, the next week three, and so on until the Spring Term.

While the students are struggling to pass, the faculty seems to be having no trouble at all keeping up with Mr. Mercer. Most of the masters and their wives take these tests, and from their papers the sparse supply of twenty-fives appear.

The value of these tests is shown not only in studies but also in reading for enjoyment. A good vocabulary adds to one’s interest in a book and aids in faster reading and a more accurate knowledge of what is being read.

These tests should not be underestimated by the student. Many students have returned from college and expressed the value of this preparation in college work. In the past these tests have successfully prepared the student to meet his vocabulary demands. Furthermore, statistics prove that most successful men in all fields are the possessors of large vocabularies.

### GOVERNORS LOSE OPENING GAME TO HAVERHILL NINE

On Wednesday, April 18, the Governor Dummer baseball team evaded Old Man Rain and was able to play its first game of the year only to suffer a 7-2 loss at the hands of an experienced Haverhill team.

With Southpaw Rick Blackmur on the mound, the Governors managed to breeze through the early stages of the game with a 2-0 lead. The big hit which sparked the Governors' two-run rally in the third was a tremendous double by Hump Zabriskie. Zabriskie scored on an infield error which put Murdock on second. He in turn scored on a double by Dunning.

As the game wore on, the inexperience of the Governor Dummer nine proved to be the deciding factor in their defeat. Rick Blackmur did a superb job of carrying the

### TENNIS TEAM OPENS WITH WIN AT MIDDLESEX SCHOOL

On April 21 the Governors' tennis team started its season on the right foot, with an 8-1 win over the Middlesex School at Concord. The present team is out to equal last year's undefeated season, which at this moment, looks like a tough job. Middlesex had a good team but was able to come up with only one win. Dave Hicks was the only one named in the losing column, while Jim Hicks, Mal Davidson, Ben Hawkins, Dave Clary, and Charlie Windisch came through with wins. On the whole, the team looks good and should be slated for a winning season.

green Governors' outfit through the first eight innings and was relieved by Don George in the ninth.

## GOVERNORS DEFEATED IN FINAL HOCKEY GAME, 9-1

---

On February 28 in the Boston Arena, the highly skilled Belmont Hill sextet walloped the Red and White 9-1. The first period was evenly played with the score deadlocked at 1-1. The Governors' goal was scored by Ronnie Campion.

In the second and third periods Belmont went to town, scoring eight goals. Exceptionally good games were played by goalie Charlie Robb and Ned Werner, captain-elect for next year.

---

## GOVERNORS BEATEN BY BELMONT HIGH HOOPSTERS

---

After a successful three-game winning streak, the Governors' quintet was turned back on Wednesday, February 21, in the Alumni Gymnasium by a well-coached Belmont High team. Up until the fourth quarter the Red team was never out of the ball game; but when three starters fouled out, the team from Belmont forged ahead and went on to win, 64-46.

Coach Pratt, in charge during Mr. Navins' absence, upheld the team's determination and drive even in defeat. Don Rice led the Governors in scoring with thirteen points.

---

## LATE RALLY FAILS AGAINST TALL AND CLASSY TABOR FIVE

---

On Saturday, March 3, a hard-driving Governor Dummer basketball team emerged on the short end of a 70-53 score against Tabor Academy at Marion. During the first half a tall and classy Tabor team ran circles around the Governors and managed to run up a nineteen-point half-time margin.

The Governor Dummer five were not to be denied, for they came on the court at the start of the second half a new ball club. Led by the accurate shooting of Captain Fred Hobbs and Phil Hadley, the Governors managed to hold their own and even outscore Tabor by two points in the course of the second half.

Again Phil Hadley and Fred Hobbs led the Governors' scoring attack with 17 and 15 points respectively.

## TONY COWLES IS HERO OF FINAL BASKETBALL GAME

---

Tony Cowles was the story-book hero of the basketball game with the Huntington School in the Alumni Gymnasium on Wednesday, March 7.

The first half saw the home team build a commanding lead of 30-20 on Hobbs' pivot play and Don Rice's corner shots. But in the third period Huntington held the Governors to four points while making eleven.

And the fourth period was even hotter; as the last minutes ticked by, the two teams matched baskets until the Huntington center dropped in successive shots to put his team ahead, 44-43. The visitors then attempted to freeze the ball, but a back court violation gave the Governors the ball with only seconds left. Cowles attempted a shot and was fouled as the final buzzer sounded. His first penalty shot swished through the net to tie the score; poker-faced, he stepped up to the foul line again. The crowd was motionless and completely silent. But when his second shot swished cleanly through to win the game for the Governors, the silence was broken with a roar.

Hobbs was high scorer for the Governors with thirteen.

---

## BARROWS STARS AGAINST WELLESLEY WRESTLERS

---

On Wednesday, February 28, the Governor Dummer grapplers matched the Wellesley High School team in the Alumni Gymnasium.

The Red and White team started with a 10-point advantage when Walter Lawson's and Steve Shohet's matches were forfeited. Very aggressive and fast Wellesley men won a pin in the 115-lb. class and a close decision in the 137-lb. class. Ted Barrows, wrestling against the Interscholastic champion, lost by decision after having fought a hard match with great spirit till the end. The score was then 11-10 in favor of the visiting team.

In the 155-lb. class Hugh Mehaffie, substituting for Smythe, shouldered his opponent in a very exciting bout. John Hjorth acting captain, wrestled another thrilling bout and pinned his man. Murdock and Reith then won decisions, bringing the final score of the meet to 26-11 in favor of the Governors.

THE LACROSSE TEAM OF 1951

Left to right (*kneeling*): G. Edward Dodge, Jr., John Gill, W. Thomas Whitney, Jr., Roderick M. Rose, Robert F. Smythe, III. (*Standing*): Charles N. Hussey, Wesley L. Muddle, Edward W. Stockwell, E. Ronan Campion, George E. McGregor, Jr., Willard E. Stockwell.

### LACROSSE TEAM OPENS WITH VICTORY AT M.I.T.

The varsity lacrosse team engaged the M.I.T. Freshmen on Wednesday, April 25, at Cambridge in the first game of the season.

Co-Captain Ronnie Campion put the Governors into the scoring column in the opening minutes of the game on a beautiful solo. At half time the score was 10-2 in favor of the G.D.A. team. During the second half G.D.A. continued to control the scoring. Almost everyone on the starting line-up broke into the scoring column with Campion and Gill leading the way with four each. But the popular favorite was that chubby defenseman, Bill Stockwell, who scored easily after intercepting an enemy pass and really dashing the length of the field. M.I.T. played aggressively and lost largely because of inexperience. The final score was 16-5.

### GOVERNORS TAKE DOVER 69-47 IN FIRST HOME TRACK MEET

In the first home track meet of the season the Governors ran and hurled their way to a 69½-47½ victory over the Dover, New Hampshire, team.

For the first few events a tie score looked possible, for the high jump and pole vault each resulted in ties.

Bob Goddard suffered a demoralizing blow when his favorite Swedish-steel vaulting pole collapsed, Bob Lucas atop.

Ed Carter was the sensation of the meet, winning both hurdle events, the discus and the 220 sprint.

## GOVERNORS BEAT NOBLES' NINE FOR FIRST BASEBALL WIN

---

On Saturday, April 28, the Governor Dummer varsity baseball team won its first game by beating Noble and Greenough, 3-2. Rick Blackmur went the distance and allowed only four hits. The game was a tight pitchers' duel throughout with very few errors. Ed Kelly banded out three singles and Captain Robb had a double, a single, and two RBI's.

In the field the Governors were superb, playing nearly air-tight ball and robbing the visitors of several potential hits.

---

## TRACK TEAM LOSES DUAL MEET TO M.I.T. FRESHMEN

---

In the first track meet of the year, on Wednesday, April 26, the Governor Dummer team went to compete against the M.I.T. Freshmen team in Cambridge.

The first event, the high hurdles, gave hope of success to the Governors when Ed Carter came in first in very fast time. But the skill of the Cambridge team eventually prevailed against the still inexperienced Red and White, and the final score was 73-42.

Nate Fuller was second in the 100-yard dash, and George Moreau was third in the 440, doing it in very good time. Bob Goddard took first place in the pole-vault, jumping ten feet. John Murdock heaved the javelin at 157 feet and gained first place.

---

## GOVERNOR DUMMER NINE DEFEATED BY BELMONT HILL

---

On Saturday, April 21, the varsity baseball team journeyed to Belmont for its annual game with Belmont Hill. The Belmont Hill team outhit the Governors and won, 8-2. Rick Blackmur started on the mound, but after four shaky innings he was relieved by Don George and later by Dave Pope. After committing seven errors, four of which came in the second, the Governors settled down and played heads-up baseball.

In the fourth inning Don Rice poled a long drive to center for a double. Later in the game Jack Cebe-Habersky hit a long drive to left for a home run.

## NEW HAMPSHIRE FRESHMEN TRIUMPH OVER GOVERNORS

---

On Saturday, February 24, in the Alumni Gymnasium the Governors' quintet lost to a sound and experienced New Hampshire Freshmen team, 61-44. Until the fourth quarter the Red team was still in the ball game, but in the final minutes the opposition's height prevailed.

Dodge Morgan of the Governors' '49-50 team got his chance to play in the new gym by returning to Governor Dummer with the New Hampshire team.

---

## GOVERNORS SCORE OVER TABOR WRESTLERS, 22-13

---

On Saturday, February 24, the Red and White wrestling team played host to a very strong Tabor aggregation.

In two very good bouts Dick Nader and Walter Lawson got the Governors off to a propitious start by winning decisions. Steve Shohet then pinned his opponent and brought the score up to 11-0.

In the 137-lb. class, Chuck Hussey, matched against an Interscholastic champion, was pinned after a hard fight. Mike Iafolla and Bob Smythe gained decisions, bringing the score to 17-5. In the 165-lb. class John Hjorth assured the Governors of a victory by pinning his opponent.

Very aggressive Tabor wrestlers gained a decision in the 177-lb. class and a pin in the unlimited class, setting the final score of the match to 22-13.

---

## GOVERNORS TRIUMPH OVER DEAN'S GREEN LACROSSE CLUB

---

The Governor Dummer lacrosse team went to Dean Academy in Franklin on Saturday, April 28, to win 8-1 over an inexperienced Dean team. In the first period of the game four goals were scored, and two more in the second period. One goal was added in each of the last two quarters. Of these eight goals, Ronan Campion was responsible for four.

Goalie Dirk Owens had a shut-out until the last ten seconds of the game, when Dean shot a ball into the corner of the cage, leaving the final score 8-1.

Craft traditions reaching back almost to the  
Pilgrims are part of the reason for TOWLE progress, but  
probably the chief reason is a certain soundness  
of design — patterns that wear well  
— that wear so well, in fact,  
that they become at once a proud  
possession and a beloved  
part of family life.
